

The Making of Mankind

When people lose their ability to memorize data they have **Amnesia**. Amnesia also refers to an inability to recall information that is stored in memory. In simple terms, amnesia is the **loss of memory**. The causes of amnesia may be **organic (brain injury or damage)** or **functional (emotional shock from combat, abuse, crime, disaster...)**. People with amnesia also find it **hard to imagine the future**, because our constructions of future scenarios are closely linked to our recollections of past experiences. Researchers from Washington University in St. Louis used advanced brain imaging techniques to show that remembering the past and envisioning the future may go hand-in-hand, with each process sparking strikingly similar patterns of activity within precisely the same broad network of brain regions.

Most of Mankind has forgotten, due to functional reasons, Our Human Creation.

What is man that You are mindful of him, And the son of man that You visit him? Psalms 8:4

The great King David asked very profound questions. **Who are we? How were we made? For what purpose are we here? Why do we need to know?** It seems like we should all know the answers to these questions from birth. But many people spend their **entire life** never asking the questions and of course never knowing the answers. It might be said that we have **"Creation Amnesia"** and **forgotten who we are.**

If we have **forgotten 'who we are'** & **our purpose** for being here, **it may be concluded that we may never be able to achieve our purpose going forward.** **Fulfilling Our Purpose** is what gives us **True Joy & Peace** in this life. In this lesson we shall explore the mindset of God in Creation of Mankind while remembering how and why we exist on this Earth.

There are many things in nature that boggle my mind when I think about how awesome they were created and still exist. Our sun comes to mind first. It is this giant ball of hot, powerful, intense energy that provides life to our Earth from 93 million miles away. There is the cuttlefish that can change its color, shape, and texture to blend in to any surrounding in the blink of an eye. They have up to 200 of these specialized pigment cells per square millimeter.

There are the beautiful birds with their ability to fly. I could go on and on about the tall Redwood trees and fast cheetahs and strong elephants and large whales and beautiful colorful flowers....

So with this backdrop I can understand why King David asked his questions. But let us remember that Mankind was God's last and

Greatest creation. Let me strongly emphasize here that we are **not the Greatest of creation because of our physical make-up**. Physically we are made of the same materials (that come from the Earth) as other Earth creatures. The human body is quite intricate in its design, but on the physical scale we are just very adaptable 'dirt creatures' with large intelligent brains. Physically, we are just Flesh. **Mankind is not the strongest, fastest, largest, or tallest of any of the created Earth creatures**. Then what makes us Great and differentiates mankind from the rest of Creation?

So God created humans in his own image. He created them to be like himself. He created them male and female. Genesis 1:27

Our Great difference comes from what the Supreme Designer gave Mankind that He didn't give to any of His other pieces of creation. He breathed into our earthly Flesh bodies His Spirit and gave us a *Living Eternal Soul*. **He simply put Himself inside of Us**. I must pause here because this concept is too emotional to continue writing. **The Supreme Sovereign All Powerful All Knowing Everywhere God** that started Creation with a "Bang" thought so much of His last created piece that **He Put Himself Inside Of Us**. This last installation of His Spirit inside of Us is what makes Mankind Greatest. And when God had finished this Process, He said **"It is Good"**. In our original created state, Mankind is the Greatest of all creation. Not because of our physical attributes, but because of what our Father has bestowed in Us.

I will praise You, for I am fearfully and wonderfully made; Marvelous are Your works, And that my soul knows very well. Psalms 139:14
