

IN THE BEGINNING

With our naked eyes we can see The Earth, The Moon, The Sun and recognize that The World is much larger than Mankind and Humans are not the only piece of Creation.

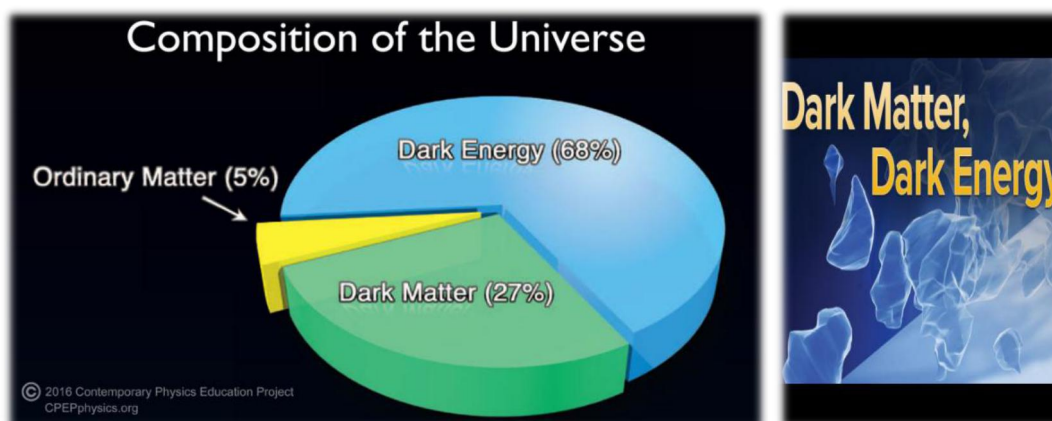

With telescopes on Earth and in Space, we can see the very **LARGE UNIVERSE** with lots of **stars, planets, galaxies...** and **empty space**. How did all this energy and matter develop and does matter really matter? Did Something or Someone initiate our Universe? What happened In **The Very Beginning**?

No Humans were around at **The Very Beginning** of time to record history with accurate facts and document with certainty how The Universe & Human Existence started. Thus **ALL Accounts** of **"The Beginning"** must be considered by **Faith vs Fact**. I repeat **ALL Accounts** of **"The Beginning"** must be

considered by **Faith vs Fact**. We can be sure that there were **NO Religions/Belief Systems** documenting **The Very Beginning** because there were **No Humans**. Scientists cannot prove or agree on *what/who started* **The Very Beginning**; many just say, **By Faith**, that **something** started the “*Big Bang*” **out of Absolutely Nothing**. The **COLOSSAL Initial Energy EXPLOSION** of the “*Big Bang*” took **Less Than a Second** and created **Every Piece of Matter in the Universe** that **there is or ever will be**.

What We Know Is Unknown

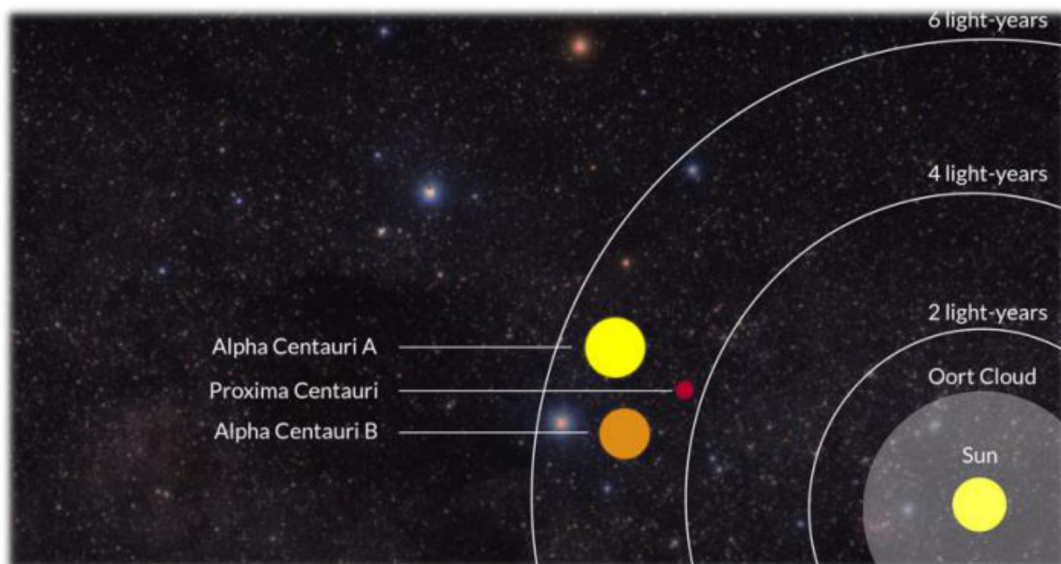

According to NASA Cold Atom Lab, 95% of the Universe consists of Dark Energy (68%) & Dark Matter (27%) whose entire make-up is **completely unknown** to even our greatest scientific minds. And of the 5% that we can see in the **Universe**, we **know much less than 1% hard facts**. **The Truth** that **more than 99% is UNKNOWN** about our **Universe** and **The Very Beginning** is **extremely sobering**. And if **The Beginning** is **Uncertain**, one can see the **Human Struggle** to grasp **Purpose** for the **Present** and **Direction** for the **Future**. I suggest that Mankind should **STOP** trying to prove the Unknown and **Believe by Faith** whatever we **Believe** to be **Most Plausible** while keeping in mind that our **Beliefs determine our actions** and **our actions determine our brief lifetime** here **on Earth**. With this backdrop, I shall discuss **My Belief** about **THE VERY BEGINNING** and why I believe it is **Crucial** to Mankind’s **Present** and **Future**.

Our Next Door Neighbor Alpha Centauri

The life-giving **Sun** that we see everyday is actually a star that is **93 million miles** from Earth. It is **one of trillions** of stars in the Universe.

Alpha Centauri is the **closest** star system and **closest** planetary system to **Earth's Solar System** at **4.37 light-years** from the Sun. A **Light Year** is the distance that light travels in one year and is nearly **6 trillion miles**. Our **next door neighbor** in the Universe is about **26 trillion miles** from us. The Voyager spacecrafts, launched in the 1970s and are past Pluto, would take **another 70,000 years** to reach our **next door neighbor Alpha Centauri**.

SPACE IS VERY VERY VERY LARGE

It is estimated that the Entire Observable Universe is:

93 BILLION LIGHT YEARS ACROSS

If there is No Creator of the Universe, Mankind has nothing to fear because we are not ignoring any Deity. It's All About Lucky RANDOM Us.

If Some Living Being Created This Large Universe Out of Absolutely NOTHING, We Should Acknowledge The Powerful Source that DESIGNED with Intent The Universe & Mankind.

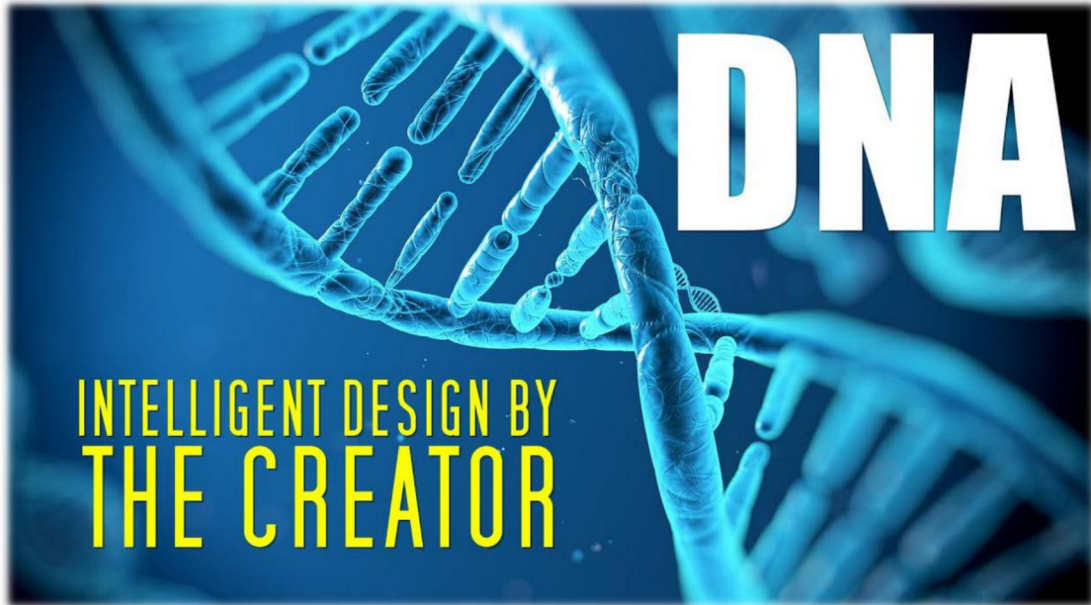

DNA: Am I Random or Designed

DNA, short for deoxyribonucleic acid, is a complex, long-chained molecule that contains the **genetic blueprint for building and maintaining all living organisms.**

- If you put all the **DNA** molecules in your body end to end, the **DNA** would reach **from the Earth to the Sun and back over 600 times.**
- If you could type 60 words per minute, eight hours a day, it would take approximately **50 years to type** the human genome.
- Every human being **shares 99.9%** of their **DNA** with every other human.

My Belief is that **DNA** is a **Game-Changer**. I would suggest that everyone watch some very brief YouTube videos on the purpose and complexity of Human **DNA** like:

[DNA: The book of you - Joe Hanson](#)

[The twisting tale of DNA - Judith Hauck](#)

[How to sequence the human genome - Mark J. Kiel](#)

My Belief is that **DNA** strongly favors **Intelligent Design**. And if there is **Intelligent Design**, there logically has to be an **Intelligent Designer** or **“The Creator”**.

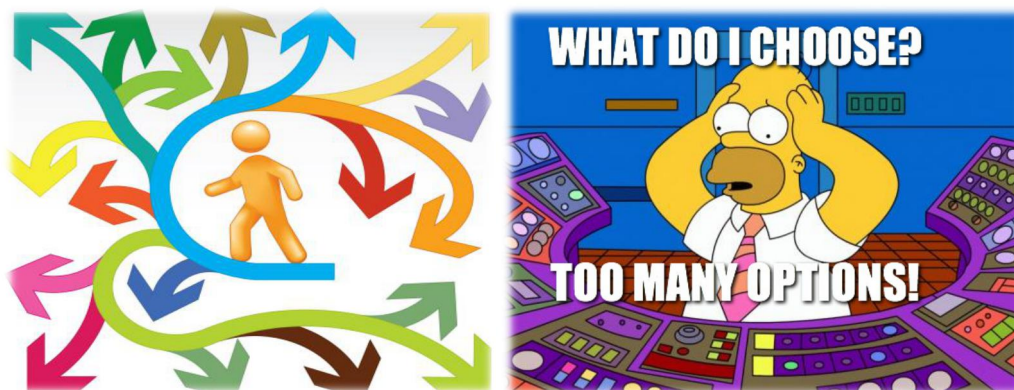

CREATION

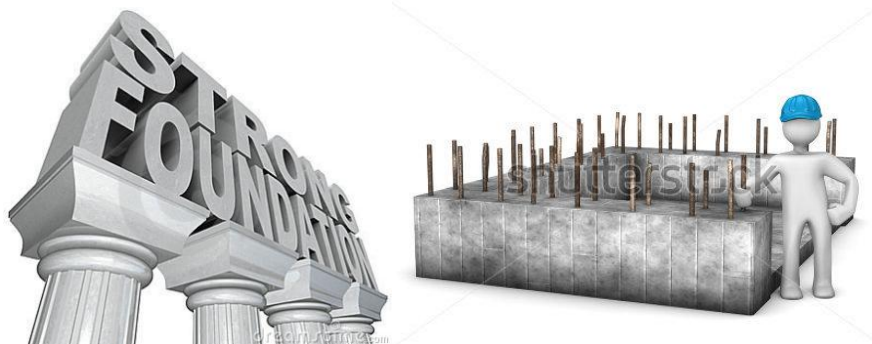

Since the earliest days of civilization, humans have pondered the origins of the Universe. Through Oral Traditions and

Writings, we can learn about **many Stories of Creation** from all over the world. Despite geographical and time frame differences, many of the Stories have **a lot in common**. **One key element** is not the specifics or truths of each Story, but the fact that Humankind, *by science-religion-myth*, suggests that **there is a Story** behind how Our Universe and Mankind came to exist.

Which Story To Believe

With **so many** ancient and contemporary **stories and theories** about our origin, it is completely understandable that **Mankind Struggles** in the selection on **what to 'BELIEVE'**. We are heavily influenced by **our cultures, geography, time frame, and less than 1% of facts** that we know about our Universe and Ourselves. I told myself *that if there is a "Creator" who can initiate the Grand Scale Universe out of Nothing, I don't won't to miss His Instructions for Life.*

religion, or a country, or a time period.... He is simply **Too Great to be Contained** and completely understood by the human mind. It is **All About Faith to Believe**.

The Life Line

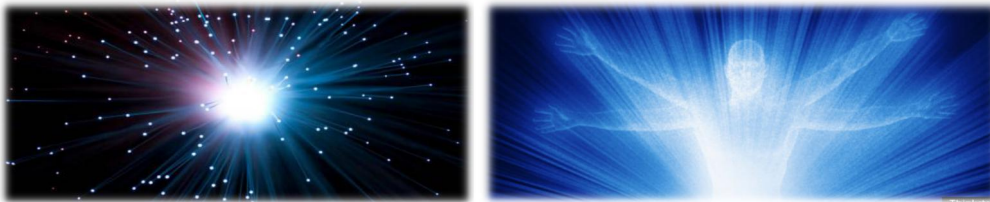

How can we **"KNOW"** **The Creator** who started **The Beginning** if we have never seen Him and He out-dates our history and is beyond comprehension? If only someone who has **Seen** Him and **Knows** Him would come to Earth and **share more details** then maybe we could come to **"KNOW"** Him also and **Believe**.

The Story of Love

GOD'S LOVE STORY

There is one Creation Story above all others that **I Believe** offers Mankind the Lifeline that we so desperately need. This story tells about an **Inseparable Love** between **The Creator and His Only Begotten Son** that started before the Universe was even a thought (John Chapter 17).

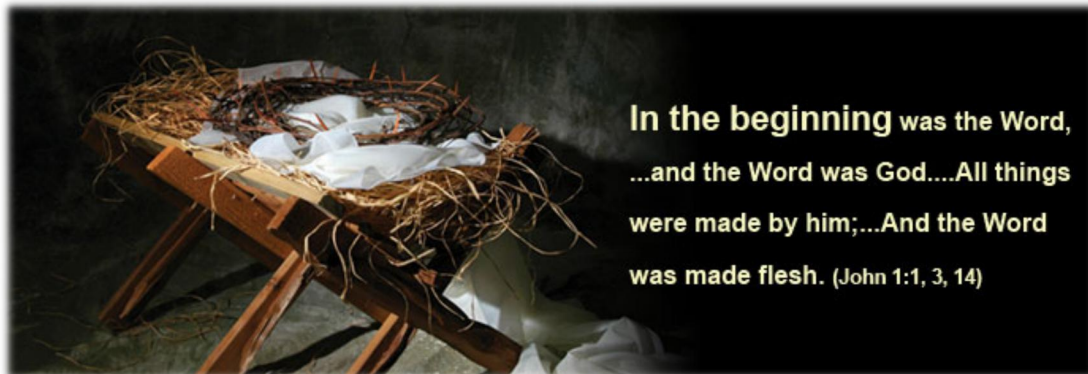

The love story tells how the Universe was **created from Nothing**...It tells of how the Earth and all matter were created for The **Creator's Greatest Creation, Mankind**...It tells that Mankind was **so loved** by The Creator that He put **His Own Spirit** (*that gives life to our eternal soul*) **Inside of Us**... This eternal soul is something that **no other part of creation has**...

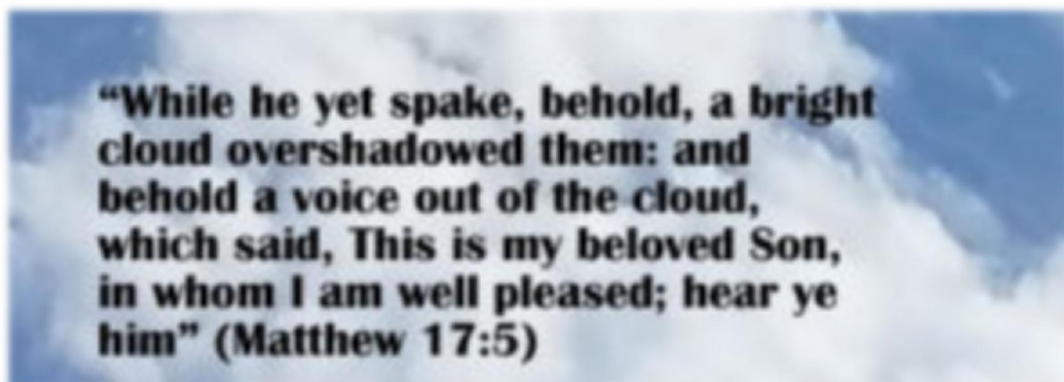

The love story tells how when **Mankind's Original fellowship** with The Creator was **broken**...The Creator's Son Loved

Mankind so much that He volunteered to leave his heavenly home and Father to come to Earth to **atone for the Sin of Mankind** and to **restore fellowship** with The Creator.

And when The Creator's **Spoken and Written Words** on how we should live and love were **twisted and distorted** through the passage of time and peoples, His Son came to Earth in the form of a man... and he **spoke and demonstrated The Words of Love** from The Creator. This is the creation story that **I Believe** is **Most Plausible**. But it has taken me more than a half of century to realize *the importance of The Beginning* with this love story.

OMG: If He Is Who He Says He Is

It is **well documented** that **Jesus lived on Earth**. What has been debated while he was here and since his death and resurrection is **who is he**. Even his own disciples questioned who he was and his purpose for being on Earth. A scripture from the Bible that

best sums up the **confusion on Jesus identity and authority** is found in the Book of John the Apostle:

Jesus answered, "I am the way, the truth, and the life. The only way to the Father is through me. If you really knew me, you would know my Father too. But now you know the Father. You have seen him." Philip said to him, "Lord, show us the Father. That is all we need." Jesus answered, "Philip, I have been with you for a long time. So you should know me. Anyone who has seen me has seen the Father too. So why do you say, 'Show us the Father'? Don't you believe that I am in the Father and the Father is in me? The things I have told you don't come from me. The Father lives in me, and he is doing his own work. Believe me when I say that I am in the Father and the Father is in me. Or believe because of the miracles I have done. John 14:6-11 ERV

If Jesus **Bold Proclamation** is **True** and **He is The Son of The All Powerful Creator** who started **THE VERY BEGINNING** and holds the Universe *past present and future*, then it is **VITALLY IMPORTANT** that we Honor Him as **Royalty of the Highest Regard** and that we **LISTEN & OBEY EVERY WORD** that He has given us **ESPECIALLY** concerning **His Father, The Creator**.

EVERYTHING IN LIFE HINGES ON JESUS

Without understanding the Size and Scope of the Universe that was created from **Absolutely Nothing**, it is difficult to understand **The Greatness** of **The Powerful Creator** of **Genesis 1:1**. It is impossible for me to close my eyes and picture **Absolutely Nothing**. And it is even harder to imagine that the **Entire Universe** was Created from **Absolutely Nothing**. But now that I better understand **The Beginning**, **The Word of God** makes a lot **more sense** to me, and I really understand that **EVERYTHING HINGES ON JESUS**.

- He and The Creator are One by Father/Son Relation
- He is the Lifeline that Bridges The Time and Space Divide
- He is The Creator's Representative to Mankind
- He spoke Words of Instructions Directly from The Creator
- He exposes the false narratives throughout history
- He is not fallible like All Other Humans
- He is our One and Only Model
- He demonstrates God's Love with His Life and Death
- He provides THE ONLY PATH to THE CREATOR with Atonement done on the Cross at Calvary
- He is Mankind's Advocate to the Creator
- He demonstrates God's Power through his Resurrection
- He empowers Mankind with The Gift of The Holy Spirit
- He connects the Original, The Present, and The After Life

Understanding **The Beginning** amplifies **The Word** from **The Creator** spoken by **His Son** because **The Word** is like no other story, belief system, or prime central figure. **The Word** came directly from **The Source of All Life** who created the **Universe 93 billion light years across and Humankind with DNA that can reach the sun and back 600 times**. Sadly many people still don't believe in Jesus because they want *proof or a sign*.

Just in case you didn't get the miracles and signs earlier, here they are again with a few more:

- **The Universe**
- **The Only Planet that we can see that has Any Life**
- **The Perfect Amount of Sun Light, Gravity, Water, Air**
- **DNA**
- **Self Awareness and Freewill**
- **Other Human Beings**
- **Nature**
- **The Son/Word**

Life on Planet Earth is truly a **Miracle**. It doesn't take much to recognize this **Miracle**. But **the Greatest Miracle** is that Humankind can now have **Unlimited Access and Fellowship 24/7/365** with **The Source of All Life, The Creator**.

NO membership fees, no middle men , no shamans, no priests, no sacrifices, no religions, no ceremonies, no pilgrimages, no buildings, no monuments, no special education, no preparation, no heritage, no proof..... **NEEDED. JUST BELIEVE.**

Who really believed what we heard? Who saw in it the Lord's great power? Isaiah 53:1 ERV

High Stakes Eternity

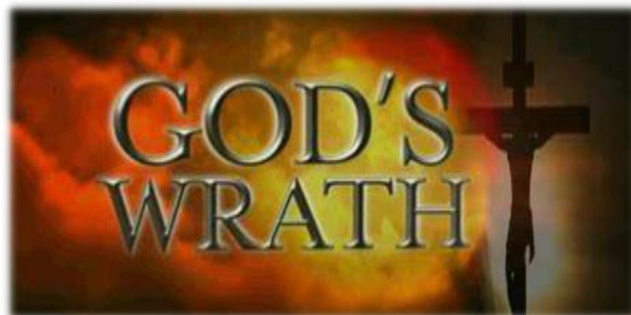

Human **lifespans** are so **short** compared to the existence of **Time** that it is hard for us to **conceptualize Eternity**. Yet unlike any other creation story, **The Word** discusses that our **origin and afterlife** are directly **connected** to our **belief in Jesus** and **The One** who sent him. **The One** who started **Time at the Beginning** will also be **The One** who stops **Time at the End**. The stakes are **ETERNALLY HIGH** for Unbelief!!!

Then Jesus said loudly, “Everyone who believes in me is really believing in the one who sent me. Everyone who sees me is really seeing the one who sent me. I came into this world as a light. I came so that everyone who believes in me will not stay in darkness. “I did not come into the world to judge people. I came to save the people in the world. So I am not the one who judges those who hear my teaching and do not obey. But there is a judge for all those who refuse to believe in me and do not accept what I say. The message I have spoken will judge them on the last day. That is because what I taught was not from myself. The Father who sent me told me what to say

and what to teach. And I know that **whatever he says to do will bring eternal life.** So the things I say are exactly what the Father told me to say.” John 12:44-50

With these and other clear and powerful words spoken by the Creator’s Son on behalf of The Creator God, **Each Soul of Mankind now has an Opportunity and a Choice.** **We need only to Believe In Jesus Atonement.** Our **Belief** will be manifested in our **Love for God and Others.**

If these words spoken by Jesus are **ignored, twisted, denied, disobeyed, or taken for granted**, we should **Fear The Wrath** that will come from **ignoring and insulting** an **Eternal Powerful Creator King** that allowed **His Royal Son** to be **ridiculed, humiliated, suffer, and die** for Mankind’s Sin. We should also **Fear Missing** the **True Purpose of Living** the **Gifted Amount of Time** that we have on Earth.

IT'S YOUR LIFE.

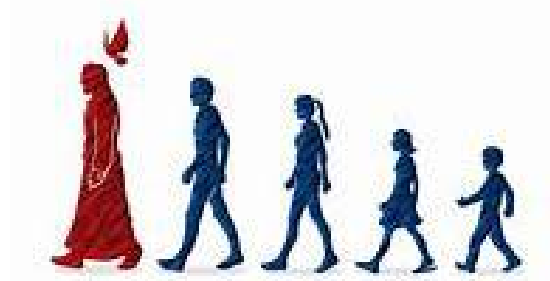

And if believers around the world claim to be followers of Jesus, we should be **DOING** the same things that Jesus did and said... **Demonstrating Love Everywhere Everyday**...**NO EXCUSES. His Model is The Only Model We Need To Practice**

- ◆ Feeding the Hungry
- ◆ Spending Time with Family & Friends
- ◆ Demonstrating Love to Children & Sinners
- ◆ Praying
- ◆ Embracing Suffering for Others
- ◆ Encouraging Followers
- ◆ Teaching the Word of God Correctly
- ◆ Training Disciples
- ◆ Giving Warnings
- ◆ Exposing False Teaching/Practices
- ◆ Healing the Sick

Thus, by their fruit you will recognize them.

Matthew 7:20

FOLLOW JESUS ONLY

Without faith no one can please God. Whoever comes to God must believe that he is real and that he rewards those who sincerely try to find him. Hebrews 11:6 ERV
